

Institute of Hematology and Blood Transfusion
NRL for DNA Diagnostics
HLA department, Laboratory of cell chimerism
External programme of proficiency testing (EPT)
in the field of quantitative analysis of cell chimerism

CERTIFICATE OF PARTICIPATION

Laboratory N/2022

Ústav hematologie a krevní transfuze

Pracownia Biologii Molekularnej Zakładu Diagnostyki
Hematoonkologicznej Dolnośląskiego Centrum Onkologii, Pulmologii i
Hematologii

Mgr Iga Jendrysik

Variant of EPT – EXTENDED

Achieved results:

1. **INFORMATIVITY EXAMINATION (OPTIONAL PART):** laboratory didn't participate in this part
2. **QUANTITATIVE EXAMINATION AND INTERPRETATION (COMPULSORY PART):**

Achieved results by Z-score categories:

excellent – 8/10 (80%)

good – 2/10 (20%)

acceptable – 0/10 (0%)

critical – 0/10 (0%)

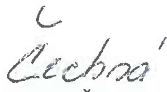

under the detection limit of the laboratory – 0/10 (0%)

Satisfactory: 10/10 samples

Overall success: 100% PASS (min. 80%)

A SUCCESSFUL PERFORMANCE

Ing. Milena Vraná
Head of HLA department

Mgr. Hana Čechová
Head of Cell chimerism laboratory
responsible for organization and
course of interlaboratory testing
